

Arlene R. Taylor PhD

Everything starts in your brain—period!

www.ArleneTaylor.org Realizations Inc

Brain-function specialist, author, and presenter, Taylor is a sought-after speaker internationally. A recipient of the American Medal of Honor for Brain-Function Education (#20 of 100) from the American Biographical Institute Inc (2001), Taylor holds two earned doctorates in Health and Human Services and in Clinical Counseling with an emphasis in issues of addiction, abuse, and recovery—from the perspective of brain function. In 1989, Loma Linda University Nursing Alumni Association selected her alumna of the year. She has life membership in the *National Registry of Who's Who*, 2000 edition. A member of the National Speakers Association (NSA), she lists with:
